Covid-19 Response

We have prepared the best we can for the Covid-19 lockdown we are all going to experience.

As our office is not considered essential, we are unable to be on the premises. However, we have put in place arrangements for work to be completed remotely by our staff.

Our preferred method of communication is by email. However, our phone system will be diverted during office hours (9am to 4:30pm) during the lockdown period, so you can phone us on (09) 262-2846. We can also be contacted by using the [Contact Form on our website](#).

We are currently fielding a lot of enquiries regarding the Covid-19 wage subsidies. If you need further information regarding eligibility and a link to the application forms, please follow this link:

<https://workandincome.govt.nz/products/a-z-benefits/covid-19-support.html>

If you have any questions regarding the subsidy please contact us.

We have sent out terminal tax notices due on 7 April 2020 and will send out provisional tax notices due on 7 May 2020 next month. **Please contact us if you are having difficulty paying these amounts.** We can contact the IRD on your behalf to negotiate a suitable arrangement to pay.

Please take care. If you require any support feel free to contact us via email, phone, or our website.
